

# FOR THAYER

“Your support... sustains this distinctive magic, and empowers us to fuse technical excellence with compassion, creativity, and collaboration.”

As I stood before our graduating students at this year’s Investiture ceremony, I was reminded of how extraordinary our Thayer community is—and how your generosity makes it all possible.

Over the past year, our students and faculty have met uncertainty with curiosity, imagi-

nation, and purpose. They designed zero-emission housing, developed chronic pain relief devices, and expanded access to mental health resources. Some conducted critical climate research aboard frozen vessels in the Arctic; others launched startups focused on women’s health and clean energy—all while completing their degrees.

Thayer has always been a place from where engineering is entwined with art, literature, history or culture—all of the things that make humans so interesting and our world so interestingly complex. At our core, we believe that engineering is more than technical, but deeply human. Your support of the Thayer Annual Fund sustains this distinctive magic, and empowers us to fuse technical excellence with compassion, creativity, and collaboration.

**You collectively gave \$1.86M to the Thayer Annual Fund this year!**

Your gifts enabled students to attend conferences, build prototypes, and work along-

side faculty on cutting-edge research, from vaccine development and AI-driven diagnostics to real-time improvements in radiation therapy. You supported need-based financial aid, to help ensure that a Thayer education is accessible to more deserving students.

The world’s greatest challenges—climate change, health disparities, the ethics of AI—demand engineers who lead with both empathy and imagination. It is through your support that Thayer is able to shape a new generation of human-center leaders equipped to navigate the road ahead. Thank you for believing in our mission and for helping prepare the next generation of human-centered engineers. We’re deeply grateful for your partnership.

Warmly,

Doug Van Citters '99 Th'03,'06  
Interim Dean

# Thayer Annual Fund

**50<sup>th</sup>**  
ANNIVERSARY  
1976 - 2026

“

Barry’s vision and tireless dedication have been indispensable to the Thayer Annual Fund’s growth. On our 50th anniversary, we celebrate his lasting impact and the strong legacy he helped build from the first year to today.”

— Benton C. Routh '86 TH'86,'87  
Chair, Thayer Annual Fund Executive Committee

This year marks the 50th anniversary of the Thayer Annual Fund—originally launched in 1976 as the Dean’s Fund by Dean Carl Long and Thayer Board of Advisors including Barry MacLean '60 Th'61, a dedicated board member and lifelong supporter of Dartmouth and Thayer School of Engineering.

The vision was simple and powerful: to provide annual, flexible support that would directly enhance the student experience and drive innovation across Thayer. In its first year, the fund raised \$15,000—a modest but meaningful beginning.

Today, five decades later, that vision has grown exponentially. In the 2025 fiscal year, the Thayer Annual Fund raised an extraordinary \$1.86 million, thanks to you and the generosity of many alumni, families, and friends. This milestone reflects the enduring commitment of the Thayer community and the lasting impact of Barry MacLean’s leadership.

For 50 years, the Annual Fund has helped fuel Thayer’s growth, support students and faculty, and sustain our mission to prepare human-centered engineers to tackle the world’s most pressing challenges. Here’s to the next 50.

## Fatmata Sesay '27

Engineering major; Vice President, NSBE; Co President, SWE

**“Annual gifts to Thayer make it possible for me to grow as a whole person,** not just as an engineer. Because of that support, I’ve had funded research opportunities and leadership roles in the National Society of Black Engineers and the Society of Women Engineers—experiences that gave me hands-on skills, a strong professional network, and a clear path toward a career in environmental engineering. Annual giving helps students like me turn a passion for protecting natural resources into real-world impact.”

## Anthony Cheng TH'24,'26

MS thesis *Horizontal Infiltration of Water through Porous Snow as a Gravity Current*

**“Thanks to annual gifts, I’ve been able to broaden my education at Thayer** through diverse coursework, paid teaching assistantships, and support for independent research. That funding also helps programs that develop my science communication skills so I can explain fluid mechanics to experts, peers, and the public. Annual giving directly enables the experiences that shape me as both a researcher and a communicator.”

## Riley Renee Flores TH'28

Doctoral student, biomedical engineering interested in developing bioimpedance-based micro-devices for single cell analysis with applications in advancing cancer therapeutic research and bacterial analysis

**“Annual support for Thayer creates opportunities for graduate students** to grow as researchers and as campus leaders. Because of that backing, I’ve been able to develop my research in biomedical micro devices and serve as Co President of Thayer Council—working with administration on initiatives and policies that shape graduate education. Annual gifts signal that Thayer invests in students’ success and our ability to influence the future of the school.”

**33** CONSECUTIVE YEARS OF BALANCED BUDGETS

**\$264M**  
ENDOWMENT

**2025 Degrees Awarded**

126	A.B. (Bachelor of Arts)
127	B.E. (Bachelor of Engineering)
51	M.E.M. (Master of Engineering Management)
10	M.S.
47	M.Eng.
23	Ph.D.

**Average Starting Salaries**  
For 2025 Graduates

B.E.	\$105,894
M.E.M.	\$149,860
M.S./M.Eng.	\$93,118
Ph.D. (industry)	\$116,340

Self-reported starting salaries as of 8/14/25.

**2024-2025 Tuition and Financial Aid**

**\$66,123**  
B.E. and M.E.M. tuition (three terms)

**B.E.**  
61% Fifth year B.E. students receiving financial aid  
\$43,439 Fifth year B.E. average financial aid award

**M.E.M.**  
78% M.E.M. students receiving financial aid  
\$16,762 M.E.M. average financial aid award

M.E.M. students are considered independent for financial aid purposes

**FY25 Operating Revenue**  
\$103.4M

Investment Income	3.5%
Endowment Distribution	12.6%
All Other Revenue	2.8%
Tuition Grad/Undergrad	42.0%
Gifts	3.0%
Sponsored Research	36.1%

- 7.3 percent increase in total operating revenue over FY24
- 0.9 percent decrease in sponsored research funding vs FY24
- 20.2 percent increase in BE and graduate student tuition revenue vs FY24 due to strong enrollment
- Distribution increasing annually due to new endowment gifts and investment returns
- Gifts continue to have an important impact on the overall budget

**Engineering Alumni**  
Total: 7,373

A.B.	2,049	28%
B.E.	2,887	39%
M.S. & M.Eng.	874	12%
M.E.M.	1,051	14%
Ph.D.	512	7%

Alumni are included in totals for highest degree obtained.

# Thayer Annual Fund

To every volunteer and donor, thank you for your investment in Thayer and our students. The 2025 Annual Report of Gifts recognizes gifts to the Thayer Annual Fund made between July 1, 2024 and June 30, 2025.

## Restricted Gifts

### Total Contributions: \$10,890,000

Gifts to Thayer include FY2025 cash contributions from restricted commitments for current use, endowment contributions, realized bequests, and other special gifts. We gratefully acknowledge these individuals, corporations, and foundations for their generous investment in Thayer.

# Gifts of Service

The success of the Thayer Annual Fund, regional alumni events, and various student offerings and programs relies on a dedicated group of alumni volunteers who give time, energy, and expertise to advance the Thayer experience.

# Thayer Legacy Society

The Thayer Legacy Society celebrates alumni and friends who include Thayer in their estate plans. Please let us know if your estate plans include Thayer and become a member of the Thayer Legacy Society.
